Regarding the cultural festival and the store our class wants to do
Since the COSPLAY coffee shop, has already been decided to be hosted by the second years
EHHH?
SERIOUSLY
This isn't a problem, right!?
Please write something other than this
In addition
On the first survey, the most written result, "Kisaragi Rika photo shoot", has been vetoed
Did I explain things well?
Thanks for your hard work
Un un
Please give me your cooperation
So with that

Prep work for the cultural festival has started
And the school's atmosphere has been brimming with anti-cipation
But
Our class still hasn't decided on what to do....
For me
It's probably impossible
I can't participate in the class booth

So
The results from yesterday's survey
Are the ones you see here
Sfx: Tense (x2)
Thus
I tried to integrate everyone's ideas as much as possible
Class B will be doing
a COSPLAY stamp collecting game
So
What do you guys think
Quiet down you guys
Hahaha
I have a question
Does etc refer to Rika san?
I'm sorry
Please don't speak
Get up there

Sfx: Nosy
COSPLAY stamp collecting game?
What's that?
The staff wearing costumes will be spread out all over school grounds so the customers have to find them
If the customer finds them, they'll give their card a stamp
The person who collects the most stamps wins
The game is like that !
Who have you found?

Un
It's great
Everyone really likes it
There's probably some more people like Uki-chan whose priority is their club activities
I'll need to ask everyone about when they are able to take part and ask them to make forms
And it would be better if the costumes revolved around a single theme
She's absent mindedly (x2)
Looks like you're working hard as a committee member
If there's anything we can help you out with, don't hesitate to ask
Un... thanks
But
I'm super happy to so it's okay!

What're you guys talking about? Is it about costumes?
I agree I'm really looking forward to it too
In all kinds of senses ♡
Making costumes should also be pretty fun seeing
Kisaragi can't be good at sewing
Kisaragi said in English
Ahaha that activity seems pretty good
The girls are discussing things in full swing
It's certainly very lively
It looks like it's going to be really fun
